Identification of Hazards:

Human:	None.
Safety:	Flammable.
Environmental:	Not classified as dangerous under EC criteria.

<u>First Aid:</u>	Eye Contact	Not applicable.
	Skin Contact	Non-irritant.
	Inhalation	Not applicable.
	Ingestion	Not applicable.

<u>Fire Fighting:</u>	
Specific Hazards:	None.
Suitable Extinguishing Media:	Water, Carbon dioxide, dry powder, foam.
Protective Equipment:	Full protective clothing and self contained breathing apparatus.

Accidental Release: Not applicable.

Handling and

Storage: Keep product away from sources of ignition.
Store in a dry environment away from direct sunlight.
Storage temperatures: Ambient.

**Exposure
Controls:**

Gloves should be worn for protection from contact with body fluids following use.

**Physical
Properties:**

Appearance: Grey 'cardboard-like' moulded product.
Odour: None
pH: Not applicable
Boiling point: Not applicable
Melting point: Not applicable
Flashpoint: Not applicable
Flammability: Not applicable
Autoflammability: Not applicable
Explosive properties: Not applicable
Oxidising properties: Not applicable
Vapour pressure: Not applicable
Relative density: Not applicable
Solubility: Not applicable
Partition co-efficient: Not applicable

**Stability and
Reactivity:**

The product is stable under normal conditions of use.
Avoid heat, flames and sparks.

**Toxicology
Rationale:**

Not applicable.

Ecology:

Effluent produced when disposed of via a macerator into the sewage system is fully biodegradable

Disposal:

Dispose of any unused products via local authority waste disposal.

Transport:

Not classified.

**Regulatory
Information:**

SO 9001
ISO 14001

**Country of
Origin:**

United Kingdom
